

Camp His Way is a non-profit, interdenominational camp and retreat facility located on the shore of Lake Sam Rayburn in East Texas. The Camp offers a Christ centered year-round facility for children, youth and adult groups. Here you will find a refuge to retreat from the every day pressures of life. Our goal is to offer a summer program that will develop a child physically, mentally, emotionally, socially and spiritually. Our desire is to see everyone drawn closer to God and to enjoy His creation.
