

Camp His Way News

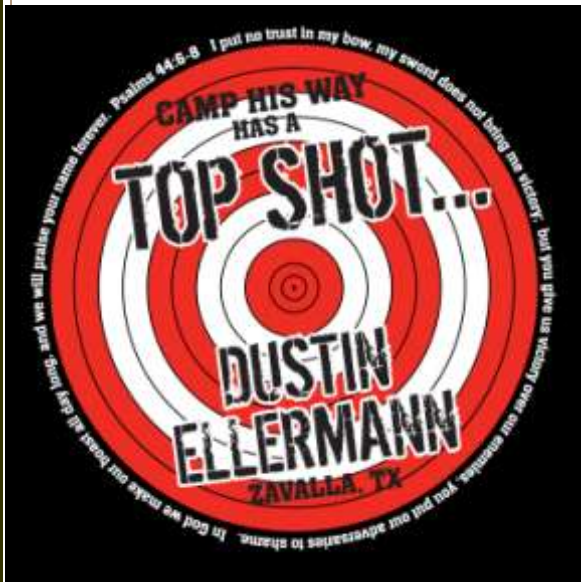

Another Amazing Summer!

Summer 2011 was another amazing God-blessed season. We had 11 weeks of camp and 8 mini-camp weekends with over 2,050 campers in attendance. Best of all, we recorded over 397 salvations during those 11 weeks! In our services the campers learned that "God Can" help you with anything in your life, that He gives us the "Anointing" for everything that He has called us to, that we should keep the door shut from the "Monsters" (sin) out in the world and try to reach our full "Potential" for His Kingdom.

We had another awesome group of volunteer teenagers who gave up their summer to serve God and the kids. We had 42 Levites, half who were new to the program, and all performed their duties and ministry wonderfully. We want to thank them for their service and ministry this year.

Now in our fall season we have every weekend booked until November. Our "Apostle" ministry continues with three resident college interns, who make all the ministry possible— Emily, Blaine and Robert. Summer 2012 is almost completely booked, so if your group didn't reserve a spot yet, now is the time!

Director Goes National

Dustin had an amazing opportunity to go on a national TV show this fall—The History Channel's TOP SHOT. It is a reality based marksman competition. Sixteen competitors are put through a series of challenges to see who is the best marksman of them all and win a \$100,000 grand prize. Tune in this fall @ 9pm CST to watch Dustin shoot for the prize and shine God's Light!

Marksmanship Youth Camps

Since there seems to be a large demand for Dustin to teach others, he plans to host a few marksmanship camps this early winter and spring. We will have limited space for these camps and we will also be looking for volunteer instructors. Keep your eye on www.facebook.com/TopShotDustin for more info!

New Chapel Funds

We praise God for His provision through this project! We have saved and raised \$235,000 towards paying off our new chapel. We were able to pay off \$40,000 towards our loan and save thousands in interest now leaving only \$71,000 to finish our payments! We have 5 sponsors who have pledged to cover monthly notes of \$2,450. Please consider helping us in completing this project to the Glory of God!

Weekend Retreats

We have a few weekends available for your church group retreats. We host any group in the fall and spring, from men's, women's, young adult, & youth groups to kid's day camps. We'll customize the perfect weekend for your needs.

CHW India—New School Planted

The school year in India began June 15th and Pastor Santharaj had made all the necessary preparations with the government for 35 village children to enroll in the school. However, the resources and foundation were lacking. I quickly informed a few friends and the funds were raised for the supplies. We shipped two large crates—850 pounds of books and supplies. I flew to India July 11th to begin the process of training to operate a preschool. The first day I drove the van to pick up the children—it was like herding cats. The village children come from uneducated families and are undisciplined. By Gods grace, within three weeks, we had a functioning school. The children were behaved, in uniforms and eager to learn. Due to some unrest in the area, it seemed time for me to return. A teacher was hired and the school is functioning well. Thank you for your prayers and support, continue to lift up the ministry in India. ~ Lisa

All the fun that the campers have at camp is simply the “bait” in being fishers of men. Without life changing experiences with God, all our work would be useless. This summer we had 379 campers dedicate their lives to the Lord! As each asked Jesus into their heart they signed their names in permanent marker on a board in the chapel—join us in praying for these kids and that they reach their full potential in Christ!

Online Store Coming Soon

We are planning to sell camp shirts online this fall, keep your eye on www.camphisway.com for the launch!

Drought Impact

The drought has impacted the camp this summer, the low lake level has been difficult to deal with and the dry forest always threatens wild fires. We are also short on hay for our horses.

Keep praying for rain and protection!
