Departure and Arrival Times	Health Form
All campers arrive at camp from 1:30-3PM on Monday. Gates will not open before 1:30PM. Dorms are pre-assigned, no need to rush. Parents are invited to the closing ceremony at 2PM on Friday. Gates open after 1PM. Campers leave at 3PM.	You must send a <u>current</u> camper Health Form for your child. State law requires a current vaccinations record to be on file at camp (or affidavit if you do not vaccinate). A physician's signature is required if your child will be taking prescribed medication while at camp.
Other Available Items	Medication
You may send money with your camper for the camp giftshop for Friday after lunch: DVD of your week at camp: \$12 / USB \$15 Several T-Shirt designs: \$15 Several hat designs: \$15 Parental permission is required to purchase any marksmanship equipment.	If medication is needed bring only the amount needed for that week at camp in the original pharmacy container (required by state law). You will also need a doctor's signature on the health form . All medication, vitamins, etc, of any kind will be given to the camp nurse at camp registration.
Lice Information	Contact
For health reasons we screen all campers for lice upon arrival to camp. Please save your child embarrassment and hassle by prescreening them before they arrive. You can find more information on this @ www.camphisway.com/lice	Phones are not available to campers - if you have an emergency you may contact the camp office 936-897-9974; info@camphisway.com You may email your camper from the camp website @ www.camphisway.com

Visitors, Early Departures & Late Arrivals	What Not to Bring
For safety reasons and compliance with Texas Youth camp codes, we must ask that the time parents visit is for closing ceremonies at 2pm on Fridays. All campers arrive and depart ONLY on the scheduled times. NO late arrivals or early departures.	Campers are not allowed to bring cell phones, tablets, radios, media players, expensive cameras, computers, video games, chemicals, fireworks, lighters, matches, prank material (like silly string etc.) or weapons. Snacks will be confiscated upon arrival to keep our dorms critter free.

What to Bring	Standards and Responsibility
Bedding – Twin size sheets or sleeping bag Closed toe shoes for activities Swim shoes (not flip-flops or crocs) for swimming Swim suit – (girls- one piece works best on waterslide) Towel, toiletries, play clothes, etc. Bible Flashlight (optional) Offering for Namibia Missions Optional: Nice clothes for a special chapel service Anything you might want for Thursday's Talent show Write your camper's name on everything	CHW strives for the highest physical, mental and spiritual standards possible. No smoking or use of tobacco, alcohol, abusive language, drugs (except prescribed medicine which is kept by camp staff), or any other such items or behavior of questionable nature is allowed. We are happy to help parents with children who have difficulties in specific areas of their life and we appreciate parents' communication with us concerning these needs, however, we protect our campers from influences which we feel to be detrimental, degrading, destructive or not in keeping with Christian standards. We reserve the right to send any camper home who violates these standards. Every reasonable effort is made to protect each camper's health and safety through training of staff, constant inspection of equipment and instruction of campers; however, CHW assumes no responsibility for accidents, illness or loss of life, mental trauma, nor loss of personal equipment by fire, theft, natural disasters or camper's carelessness. CHW has implemented numerous safety policies for the protection of all campers. Please pray with us concerning these matters. Thank you for taking the time to help your child have the most wonderful camping experience possible. We have found all of the things listed here to be important to the camper and to us. Thank you for choosing CHW.

Camp His Way Policies

Group Leader: Please make a copy of these policies available to each member of your group.

Check-in: At arrival, our Host will check you in and confer with you regarding your schedule to verify meal and meeting times. Please have payment and retreat waiver forms ready for turn in on arrival.

Parking: All vehicles must be parked in the designated parking area. Please do not drive vehicles through camp.

Bedding: Campers must furnish their own bedding, pillows and towels. Bunks are twin size.

Leadership: Sponsors must maintain supervision of all members of their group. There is a required ratio of 10:1 for minors. You are responsible for background checks.

Payment: Payment is due upon arrival. Any damages must be paid for before departure.

Meals: At check-in, you must report to the Host the number of people in your group at each meal and meal schedules.

After meals, please have campers take dishes to the designated area, scrape and stack neatly. No glasses, dishes, etc., are to be taken from the dining area.

Waterfront Activities:

- Canoeing and boating are allowed only when Lifeguard is on duty. Camp is not responsible for any water activities off the camp property.
- Life jackets must be worn at all times for boating and canoeing.
- After each recreational time, remove all canoes from the water and place life jackets on the rack.
- Leaders must be present at the waterfront when any minors are at water activities.
- Anyone failing to comply with rules of the Camp and applicable State laws shall be denied water activities.
- Inclement or approaching inclement weather conditions will result in the cancellation of water activities until weather conditions are deemed safe by the Camp Director.

Legal Waiver:

All Guests must complete and sign the retreat release waiver and turn in at arrival to the Camp.

Security: Camp gates are locked after group's arrival to keep a secure campground and monitor in and out traffic. If a guest needs to leave early please notify camp staff.

Snacks: Typically, personal snacks are not needed because our food is the best around. Yet, if still brought, there are no snacks allowed in the dorms.

Activities: All activities must be scheduled and approved through the Director. Equipment will be made available. Camp His Way will provide supervision when necessary.

Program: A copy of your schedule (for weekend adult and youth retreats) should be submitted to the camp no later than two weeks prior to arrival.

Departure: Groups are to leave upon times stated on the camp/retreat contract.

Dress:

SHOES MUST BE WORN AT ALL TIMES.

For safety reasons water shoes must be worn in the lake while swimming.

All guests must dress in keeping with modesty and Christian ideals.

Restrictions:

- No alcoholic beverages, tobacco in any form, narcotics or illegal drugs of any kind are permitted on the Campgrounds.
- Over-the-counter and prescription drugs in their original container are permitted but must be kept out of reach of children.
- Because of the health and fire hazard, smoking is NOT permitted on camp property.
- All profanity, immoral conduct of any nature, and immodest dress are forbidden at Camp His Way.
- Males and females must not visit each other's dorms.
- No Pranks of any sort.
- Pets are not allowed to visit. We have plenty available.

First Aid: First aid and emergency care will be available. The First Aid station is located by the Camp Office. Emergency procedures are posted. The Camp Director should be notified of any emergency.

Phones & Internet: Landline phones are only available for emergency use. It is a business and we ask that calls be limited. We have slow rural password protected Wi-Fi available to share with only with group leaders.

Head Lice Policy

Each camper will be examined for head lice and illness (fever) upon arrival. If nits or lice are present, **campers will be turned away** with no refunds issued. If a camper is sent home, the camp is not responsible for expenses incurred in picking up the camper.

We want your time at camp to be a pleasant and enjoyable experience, so please take the following precautionary measures to see that your camper is ready for the total camp experience:

1. Parents should do a head lice check on their children two weeks before camp.
2. Group Leaders should do a head lice check of the group on the day of departure to make sure no one in the group is infested.

We have provided the following information to help you in your head lice checks and to provide you with materials for informing parents of our policy concerning head lice.

What are they?

Head lice are small grayish-white insects, which are found in the hair, behind the ears, and on the nape of the neck. They live on human blood and their bites cause itching and scratching. These bites can lead to infection.

How can they be recognized?

The adult louse is about the size of a sesame seed. They attach their eggs (called nits) to strands of hair close to the scalp. Nits are tiny, pearl gray, oval shaped specks that are attached firmly to the hair. These may hatch in 1 week, but have been known to survive for 10 days. Frequent scratching of the head is usually the first clue of infestation.

How long does it take from exposure to infestation?

One to two weeks.

When are they contagious?

As long as there are live lice and eggs.

How are they spread?

They are spread from direct contact with an infested person or from personal items of the infested person such as combs, brushes, pillows, bedding, clothing, head coverings, or furniture. Since they need a human scalp for food and warmth, the louse dies when away from the human body for 48 hours.

LICE TREATMENT:

(Not recommended for use on infants under two months without consulting a health care provider.)

1. Examine the heads of all family members and other close contacts, and treat everyone with any signs of lice at the same time.

2. Shampoo the hair first with your regular shampoo (make sure shampoo **DOES NOT** contain cream rinse), then use one of the following medications:

Nix Cream Rinse is available without a prescription.

- a. A sufficient amount should be applied to saturate hair and scalp (especially behind the ears and the nape of the neck).
- b. Leave on hair for 10 minutes, no longer.
- c. Rinse with water.
- d. A single treatment appears adequate because this product stays in the hair for at least two weeks.

RID (comes with a fine tooth comb), **A-200 Pyrinate** (liquid or gel) or **R & C** all are available without a prescription. **DO NOT USE IF ALLERGIC TO RAGWEED.**

- a. Apply 2 ounces of liquid OR a 1-ounce tube of gel to **dry** hair and scalp, being careful to avoid contact with eyes, nose and mouth. If product should get into the eyes, immediately flush with plenty of clean water.
- b. Rub the hair vigorously in all directions for 2-3 minutes to insure contact with the lice and nits (eggs). Allow medication to remain on the hair no longer than 10 minutes.
- c. Wash hair thoroughly with warm water and a good shampoo and dry with a clean towel.
- d. Remove nits (eggs) with a fine toothed comb. (You may loosen nits by using a cream rinse or by applying ½ vinegar to ½ water solution before combing.)
- e. One application will kill the lice and most nits. Use regular shampoo to wash your hair as needed after 24 hours. **IMPORTANT: Repeat medication application in 7-10 days.**

3. It is **extremely important** that clothing, caps, hats, combs, bedding, stuffed toys, and other articles in contact with the person's head are thoroughly laundered or cleaned. Eggs and adult lice are killed after **5-10 minutes** at **125 degrees**.

- a. Soak combs and brushes for 1 hour in Lysol solution.
- b. If wash water is not very hot, add boiling water to the washer before adding clothes.
- c. Tumble clothes for **5-10 minutes** in a commercial dryer.
- d. Articles of clothing that require professional cleaning should be dry cleaned.
- e. Items such as stuffed toys can be placed in a plastic bag and sealed for **10 days**.

If these procedures are not done, treated persons may become reinfested when they use these articles again. Fumigation of the home is not recommended. Cleaning of the house and furniture inhabited by infested individuals should be limited to thorough vacuuming.

TO PREVENT INFESTATION WITH LICE:

1. **DO NOT** share combs, hairbrushes, hats, coats, scarves, and other such items.
2. Coats and wraps should be hung where they do not touch items of other people.
3. When one family member is found infested, all family members should be examined. If condition continues after treatments, contact your doctor or nurse practitioner.
